VOL. 5. NO. 91 MONESSEN, PA., WEDNESDAY, OCTOBER 10, 1906. SIX CENTS THE WEEK

COUNCIL DONATED FIVE HUNDRED TO CRIMINAL FUND.

People of Monessen Determined That Murderer Shall be Run Down. Hotel Men's Association and Slavish Society Will Donate Liberally

The people of Monessen are still determined that the man who murdered the little Hertrick girl, on the Minown farm last Friday night, shall be captured and meet justice at the hands of the law. A special council meeting was held last night at the request of the citizens of the town and $ 500 was donated to the subscription fund to be used in employing detectives.

This money is to be used only in case the amount raised by the committee, is insufficient to carry on the work. Three members of council were appointed as a committee to act in conjunction with the committee in charge of the funds raised at the mass meeting, to personally interview the commissioners and try and get a larger reward offered. It was the opinion of several that if prevailed upon the commissioners would double the amount already offered. Chairman Alcorn named J. J. Cushing, H. R. Pore and J. D. Luce as a committee.

In addition to the action taken by council last night, there will be other resources for obtaining funds, and in all probability Monessen will add another $1,000 to the reward. William Herron proprietor of the Westmoreland Hotel, yesterday made the statement that he would be one of twenty men who would raise one thousand dollars to be offered as additional reward. Mr. Herron will be interviewed today in an effort to get the hotel men interested to a liberal extent.

Several of the Slavish societies here called meetings for the purpose of taking action, and rendering financial assistance. Papers are now being circulated among Mr. Herrick's countrymen through the various mills and very liberal subscriptions are being received. The people of this community are thoroughly aroused to action as a result of this awful crime and everything possible will be done to capture the culprit who is still at liberty.

He Set 'em Up.

Andy Kuhl, the former ice man, tells the following at the expense of one of his customers. The gentleman in question met Andy on the street one day and settled his bill. For some reason or other no receipt was given, but a few days later while settling up his accounts, Andy made out a receipted bill and meeting his customer presented it to him. Not noticing that the bill was receipted that gentleman mildly protested, very truthfully stating that he had already paid the bill.

Andy smelled a mouse and always ready to take advantage of anything in the way of a joke, called to several friends, gave them the wink and a good natured argument followed. The customer finally "got wise" and acknowledged that the treat was on him. It cost him a neat little sum and he says that hereafter when he pays a bill he wants a receipt on the spot.

At the Theatre.

Something new and novel will be seen at the Monessen opera house Friday night when "New York by Night" a melodrama from the pen of Henry Belmar will be given for the first time on this stage with new and effective scenery and a strong company. The Hotel Astor, Times Square and the Harlem River Bridge are inviting stage pictures.

Hotel Man Dead.

Joseph Redfern, a well known hotel man of Wilmerding, is dead at his home at that place. Mr. Redfern until within the past fifteen years, was interested in the coal business in the Monongahela and Youghiogheny valleys and for several years held a responsible position with the Port Royal Coal company just above West Newton. From there he went to Wilmerding and engaged in the hotel business where he remained until his death. He was widely and favorably known and always went by the name of "Old Joe" Redfern.

Charged With Assault.

Dr. C. G. Robinson, a well known physician of Jeannette, was arrested yesterday on a warrant sworn out before Squire J. F. Beatty by George Boettner of Jeannette, charging him with an attempted assault on Alice Boettner, wife of the affiant. Dr. Robinson was arrested and gave bail for a hearing before Squire Beatty on Thursday morning at 9 o'clock.

Dr. Robinson is one of the leading physicians of Jeannette, being a practitioner of the homeopathic school. He enjoys a large practice and has always borne a good name. He stoutly denies the charge preferred by Boettner and says he will fight the case through the court. Mr. Boettner is a glass worker. He alleges in the information that the doctor violently laid hold of his wife and attempted to criminally assault her. The case caused considerable stir in Jeannette and Greensburg.

SUCCESSFUL OPENING

The millinery opening at the Safier Department store last night proved a greater success than was expected by the management. Before the hour set for the event to take place, the sidewalk was lined with people eager to see the handsomely decorated store and the thousands of dollars worth of new and fashionable millinery goods.

Mr. Safier had advertised his opening liberally in the Daily and sent out a large number of invitations and the public responded in a very complimentary manner. The millinery department is in charge of Miss Hass, of Philadelphia, an expert trimmer and an artist in her line. Some of the finest hats ever on display in the city were to be seen last night. Everyone who attended speaks well of the opening and Mr. Safier is well pleased with the success of the affair.

DOINGS IN POLICE COURT

Frank Guzan, watchman at the Pittsburg Steel pump house, was arrested by Chief Woolsey, about 10:30 last night, charged with being jagged and with firing off his revolver promiscuously. He put up a forfeit and appeared before Mayor F. H. Shutterly, this morning, for a hearing.

He plead guilty to the charges. Chief Woolsey stated that he had been attracted to the vicinity of the pump station last night by the repeated firing of a revolver. Upon investigating he discovered Guzan standing on the railroad tracks with a good jag on, and firing his revolver in true western fashion. Attorney Daniel Reamer appeared for the defendent. He stated that Guzan had been employed at the pump station as watchman for several years, and was a quiet industrious foreigner.

Yesterday he came to town to get a glass of beer. In some manner he lost his pocket book containing $30 and feeling blue over the loss, went home and tanked up. He always carries a gun while at work and the bug juice getting the upper hand of his discretion he proceeded to celebrate just a little. Attorney Reamer asked that leniency be shown his client.

Mayor Shutterly explained that Guzan's act was punishable by a heavy fine and imprisonment, but taking into account his good record and the fact that this was his first offense he was let off with a fine of $10 and costs.

Joseph McFadden, blowed into town last night, on the hunt of a job and failing in his attempt to secure employment, loaded up. Joe was arraigned before His Honor this morning on a charge of being drunk and exposing his person. Joe said he was so drunk that he did not know what he was doing but that he was broke and if he was let go he would leave town at once. He was given five minutes in which to evaporate.

CORONER WYNN HELD DOUBLE INQUEST TODAY

Case of Little Annie Hertrick Was Continued—While Jury Returned Verdict of Accidental Death in Case of John Zenio.

Arrested on Larceny Charge

Liza Hawkins, colored, of Wireton, was arrested by Constable Kepple this morning on a charge of larceny preferred by W. O. Donnelly, night watchman at the Monessen-Charleroi bridge. It is alleged the woman took some coal belonging to the Construction Co. She denies the charge and says that her having given a negro employed on the bridge a good "calling down" is responsible for her arrest as the negro carried the tale to the watchman She will be given a hearing before Squire Jas. A. Watkins this evening.

Former Team Mate Remembered.

"Jock" Menefee, of this city, a former twirler on the National League base ball team, received by mail, last evening a photo of the entire Chicago team, which has just won the 1906 National League championship and which is now playing a series with the White Sox for the world's championship. The photo was the compliments of Captain Chance and the other members of the team who remember Mr. Menefee each year. "Jock" prizes the photo highly.

Coroner Wynn and assistant District Attorney Ralph Hurst arrived in town this morning for the purpose of conducting an inquest in the recent murder of Annie Hertrick, also to investigate the circumstances surrounding the death of John Zenio, who was killed by an electric wire in the Henderson Coal mines, Sept. 26th. Coroner Wynn was called to the mines at the time the accident happened but decided to empanel a jury in order to properly place the blame.

George Nash, Thomas Nowhouse, W. F. Seanor, Rev. Madtes, W. L. Lemmon and H. D. McCabe composed the jury and acted in both cases.

The Zenio case was first called and several witnesses testified, the principal one being Henry Loutitt, chief mine inspector, who resides at Monongahela. He said he examined the Henderson mines and found them in good shape. He also stated that the company was not dilatory in making needed repairs.

Zerno was making a cable connection and came in contact with a live wire and was instantly killed. The jury brought in a verdict of accidental death, exonerating the coal company of any blame.

The Hertrick case was called about noon and the father and mother of the little girl testified. There was nothing of importance brought out at the examination of either of the witnesses. The mother testified to having sent the child for the cow and her failure to return and Mr. Hertrick told of finding the dead body. The coroner then concluded to continue the inquest to some future date.

REPUBLICANS WARNED

Must Block a Democratic Scheme to Capture Congress.

ROOSEVELT IS INTERESTED

Lincoln Game in This State Discussed at White House Conference.

[Special Correspondence.]
Philadelphia, Oct. 9.

Chairman Wesley R. Andrews, of the Republican state committee, has sounded a note of warning to Republican committeemen throughout the state owing to the discovery of the details of a plot among Democrats and Lincolnites to defeat Republican candidates for congress.

In fully 11 districts in this state there are at work today active agents of the Democratic National Congressional committee who are well supplied with funds and who have been directed to take advantage of the factional differences among Republicans to bring about the election of Democrats to congress.

The Emery campaign managers are aiding Democrats in their congressional fights in many districts and are making deals by which they are to get Democratic votes for Emery for governor in return for Lincolnite votes for Democratic nominees for congress.

President Roosevelt is greatly concerned over the election of Republicans to congress. He is watching Pennsylvania and New York particularly, owing to the complications in a number of congressional districts arising from the Hearst and Emery independent campaigns for governor.

Senator Penrose was present with Chairman Sherman, of the Republican congressional committee, as guest of President Roosevelt at a dinner at the White House, and they gave particular attention to the doubtful congressional districts in Pennsylvania.

STUART KNOWS NO BOSS

Republican Nominee For Governor Is a Candidate of the People.

Edwin S. Stuart, Republican candidate for governor, is making friends wherever he goes, says the Kane Republican. In the beginning of his canvas he stated: "I have made no deals or promises, nor has any man or set of men any right to make deals or promises for me. If elected governor I shall conduct my administration according to the oath of office and for the benefit and in the interest of the only master I recognize, the people of Pennsylvania. I state this emphatically now, so that he who has any other idea should oppose my election and not complain afterward that he did not understand my position, and supported me under a misapprehension." If these are not the words of an independent, honest man, where are we to look? Mr. Stuart was nominated in an open convention and without bossism. Every journal in the state of any prominence, whether Republican or Democratic, has acknowledged the absolute integrity of Mr. Stuart. He means what he says.

Death by Boiling.

In old England, before the law was passed which prohibited "cruel and unusual forms of punishment," murderers were often condemned to death by boiling. In such cases the victims were chained in large kettles of cold water, which was gradually heated until it caused the flesh to drop from the bones. The last English victim of the "boiling death" was one Rouse, a cook, who, it was alleged, had killed seventeen persons.

Twenty Minutes Time Enough?

To Cure the Worst Headache From Any Cause—New Reduction Method.

Most headaches and pains yield instantly to the new Reduction Method—Dr. Shoop's Twenty Minute Headache Cure. The cause for these pains is congestion—a rushing of blood to the nerve centers—which distends the veins to nearly the bursting point. Swollen and enlarged, these veins and capillaries exert an irritating pressure on the myriads of nerve branches and fibres. Then, there's a pain, and finally that excruciating, ceaseless ache. This new Reduction Method disperses the blood, distributes the overflow, and directs it to the proper channels. It frees the nerve centers from all pressure and irritation—the pains and aches disappear because their cause has been removed. You may try a thousand remedies—you may stand remedy and stupify the nerves into submission—but the remedy which brings prompt relief and permanent cure will be successful because it reduces the congestion—it must embody the Reduction Method. Medicine has thus found a way—simple and sure, yet the only way—to thoroughly overcome these attacks of Headache and Neuralgia. The effect of Dr Shoop's Twenty Minute Headache Cure is prompt—perfectly suited to all forms of Headache and absolutely positive in every temperament. For sale and recommended by

A STUDY IN BEER AT THE EXPOSITION

—Alcohol Contained in Various Beverages Shown by Dark Shadings and Percentages—

Independent brews are delightful in flavor, foody and pure.

The insignificant amount of alcohol which they contain—about 3½ per cent.—is immediately used in the creation of mental and physical energy.

Charles H. Treat, United States Treasurer, says: "The business and social life of the great city of New York is turning to beer and soft drinks.

"If you should walk into some of the great political and social clubs of New York to-day, organizations composed of the best business and professional men of the city, 75 per cent. of those sitting around the tables would be drinking soft drinks, in which I include beer as the foremost."

Aside from their own nutritious principles the beers of the Independent Brewing Co. are of proved value in aiding the stomach to digest other foods.

Physicians know this and prescribe them as meal-time beverages.

AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case After Ten Years of Suffering.

When suffering daily torture
From backache, rheumatic pain,
Any ill of kidneys or bladder,
Turn to Doan's Kidney Pills.
A cure endorsed by thousands.
Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

SIDNEY JUSTUS.

A FREE TRIAL of this great kidney medicine which cured Mr. Justus will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.
